

DEMO TEAM

TWA Instructors can arrange to provide a first class show of wingsuit flight for demo situations, like airshows, grand openings, sports events, and other venues.

Some *TWA* Instructors hold the USPA **PRO** rating.

Wingsuit specialists can add an extra dimension to an air show or other aerial event.

TWA TEXAS WINGSUIT ACADEMY

The Texas Wingsuit Academy (*TWA*) is a dispersed collection of wingsuit instructors across Texas focused on promoting wingsuiting in Texas. *TWA* seeks to generally promote the skydiving sub-specialty of wingsuiting. *TWA* encourages safe, fun, and exciting wingsuit flying practices. *TWA* instructors are experienced wingsuit flyers with knowledge to share.

If you are an experienced skydiver, like flying with others in Texas, and would enjoy doubling your freefall time and maximizing your jump, then ...

WINGSUIT INSTRUCTION

Jesse Knish Photography©

TWA Instructors are excellent wingsuit flyers, and enjoy sharing their knowledge of flight, wingsuit technology, and safety with flyers of all skill levels. **TWA** Instructors are certified to perform ground-based first flight instruction in wingsuit flight.

FIRST FLIGHT COURSE

Wingsuits add complexity your skydive, so in your first flight class expect:

- * Gear Considerations
- * Guided Flight Plan
- * Ground practice
- * Supervised Flight
- * Post Flight Debriefing

INTERMEDIATE AND ADVANCED FLIGHT INSTRUCTION

TWA Instructors can provide training and coaching in a host of advanced skills, including:

- Backflying
- Acrobatics
- Docking
- Large Flocks
- 3D Formations
- Sequential Formations
- Specialty Aircraft Exits
- Wingsuit Demos
- Jumping with Smoke

DEMO SUITS

TWA instructors have access to a variety of demo suits from several manufacturers in a range of models and sizes. A nominal rental fee may be required, at the discretion of the instructor.

Advanced models are also available for more experienced wingsuiters.
